PG CORPUS

150k+ sentences extracted from transcripts of the debates of the Galician Parliament (Parlamento de Galicia) over a 7-year timespan (2015-2022). The Galician Parliament allows public access to the original material and authorizes its reproduction provided the source is acknowledged.

On this material, USC's Proxecto Nós applied a series of transformations which resulted in the corpus herein mentioned. The original sentences were filtered for length and, where necessary, adapted to meet the Common Voice requirements (normalization of numbers, abbreviations, and acronyms, foreign word elimination, appropriateness, etc.).

CORPUS PG

Máis de 150.000 frases extraídas das transcricións dos debates do Parlamento de Galicia durante un período de 7 anos (2015-2022). O material orixinal é de acceso público e permite a reprodución autorizada sempre que se cite a fonte.

Sobre este material, dentro do marco do Proxecto Nós da USC, leváronse a cabo unha serie de transformacións, resultando no corpus aquí referido. Segmentáronse as frases orixinais, filtráronse pola lonxitude e, no seu caso, adaptáronse para cumprir cos requisitos de Common Voice (normalización de números, abreviacións e siglas, eliminación de palabras estranxeiras, adecuación etc.).

COMMON VOICE CONTRIBUTION AGREEMENT FOR PRE-EXISTING WORKS

Thank you for contributing to the Mozilla Foundation ("Mozilla")'s Common Voice project ("Common Voice"). We want to make voice data freely and publicly available, and make sure the data represents the diversity of real people. Together we can make voice recognition better for everyone.

Mozilla makes the Common Voice database available under the Creative Commons CC0 public domain dedication. That means it's public and we've waived all copyrights to the extent we can under the law. If you participate in Common Voice, we require that you do the same. You must agree that Mozilla may offer all of your Contributions to the public under the CC0 public domain dedication.

In consideration for the opportunity to participate in the Common Voice Project, You agree to the following terms in this agreement ("**Agreement**"):

Definitions:

"**You**" (or "**Your**") shall mean the copyright owner or legal entity authorized by the copyright owner that is entering into this Agreement with Mozilla.

"**Contribution(s)**" shall mean the pre-existing work(s) described in Exhibit A that may consist of text, recordings or other content, and which may come from website(s) or other media collections, validations, and feedback or any original work of authorship, including any modifications or additions to an existing work, that is submitted by You to Mozilla for inclusion in the Common Voice database.

CC0 Waiver. You agree that Mozilla may publish Your Contributions under the CC0 public domain dedication available at <https://creativecommons.org/publicdomain/zero/1.0/legalcode>. You therefore agree to waive all copyright and related or neighboring rights together with all associated claims and causes of action with respect to Your Contributions to the extent possible under the law.

Representations. You represent and warrant that (i) You have sufficient right, title and interest to grant on an unencumbered basis the rights in Your Contributions granted to Mozilla, including to grant the above CC0 Waiver for Your Contributions, (ii) Your Contributions will not be obscene, libelous, or violate the rights of privacy or publicity of any third party and (iii) Your Contributions are not in violation of any applicable laws.

Indemnification. You agree to indemnify and hold Mozilla harmless for any liability or claim that arises from Your Contributions or Your participation in Common Voice.
